Extraordinary
Women | IGNITE

Welcome To A Very Special Sponsorship Opportunity

This is the fourth year that Extraordinary Women Ignite has been held – an event that gathers approximately 50 wildly successful entrepreneur and executive women. The purpose of Ignite is to help the participants #RAISEUP their voice, visibility, business and impact in 2019.

Extraordinary Women IGNITE starts an inner fire for wildly successful women every year. It's all about bringing soulful transformation to wild success in business and life.

This is for wildly successful women who want:

- To grow their business with grit, grace and guts—that's in-flow not in-hustle
- Their voice to carry further in the world
- More for their life and their business
- To build your business aligned to who you and the lifestyle they want to live
- To raise up the abundant flow of clients into their business

Ignite is for the **CHANGEMAKERS** of the world! Ignite is for entrepreneurs and professional women who want to **Live Out Loud** in a passionate and meaningful life. It is for those who are hearing the calling to make a difference in the world with the gifts of *who they are*! Ignite is for the rule breakers, the rebels, the women whose voices need to be heard. They will leave this conference walking into 2019 with a plan and a mission and a way to make it all happen! It's about vision, voice and wild success! **It's a sisterhood of impact and the world needs us now!**

New this Year!

1. Extraordinary Women Ignite has been expanded from the 2-day event last year, to a 3-day event this year. This means you'll have three days to connect with this power market of women changemakers who want to be seen and heard more!
2. VIP Event on the evening of Thursday, November 1 for connecting more closely to the VIP attendees and select Extraordinary Women Radio guests.
3. The two sponsor speaker spots have been expanded to a full 30-minute session each, giving you plenty of time to showcase your magic.
4. Three high profile keynote speakers have been selected for each day, including:
 - Heidi Ganahl, the founder of The She Factor and Camp Bow Wow
 - Dr. Anita Sanchez, the author of *The Four Sacred Gifts: Indigenous Wisdom for Modern Times*
 - Mia Voss, International Travel and Lifestyle Brand Ambassador.

The content for the three days will help the participants learn how to make heartfelt connections to mindful growth strategies for their business and impact.

Through insightful, soul-listening exercises, they will learn how to discover their own powerful compass – for discovering their true voice in brand and visibility, for identifying new growth opportunities and for solving problems. They will learn that real business strategy is not a linear process – but rather, it's built from the inside-out, not the outside-in.

Attendees will leave with:

- A reconnection to their heart and soul and all that they are desiring in life.
- An awakening of their inner intuition and wisdom.
- Clarity for making life and your business goals happen their way in 2019.
- A vision for greater impact on the world.
- New courage to follow their dreams. To be Daring. To be Brave.

In short, an IGNITE kit for crushing it in 2019.
