

# Raquel Vasallo - Unlock Your Feminine Secret Power

## In this Episode:

- How a near-death car accident was actually inner healing in disguise for Raquel
- Spirituality as living your highest purpose and being of service according to Raquel
- Importance of receiving and being aware of signs in making discerning decisions
- The conscious pause and the ability of knowing where you are in your world
- Activating portals in your body and the divine feminine guide
- The unconscious energy patterns and how these may have been hindering your growth
- How women's wisdom is being called to heal this world

## Quotes from this Episode:

"Be all that you truly are. Because I found out we don't truly know who we really are." —Raquel Vasallo

"Be connected with something bigger than your small your small ego and human self." —Raquel Vasallo

"We are receiving information from this invisible 'broadcast' that surrounds us all the time. But it's up to us to really tune in to it and take action on the information we're receiving." —Raquel Vasallo

"You have the power to change 'that'." —Raquel Vasallo

"Our minds can go wherever it wants to go." —Raquel Vasallo

"The more that you make a commitment to your purpose, and the more you ask these questions, the more answers will be revealed to you." —Raquel Vasallo

"It's in our pains and struggles that we discover who we truly are and what we came here to do." —Raquel Vasallo

"It's up to us to heal this world and the only way to heal it is by individually healing and making a difference collectively." —Raquel Vasallo

## 3 Pearls of Wisdom from Raquel Vasallo:

1. "Listen to your guidance and intuition. Make your own rules."
2. "What do you want to be remembered for?"
3. "It gets more joyful and blissful when you give yourself permission to go higher and play the bigger role."
