

Nicole Trick Steinbach - Helping Women in Tech Build their Brave

In this Episode:

- How Nicole has grown her global business and earn 6 figures despite COVID-19
- What makes an interesting conversation?
- Nicole's journey working at over 25 countries around the world
- Hear Nicole's own moments of bravery and how she overcome fear throughout
- What 'bravery' means and how to build the skill of bravery
- Concrete steps to #RaiseUP the skill of bravery

Quotes from this Episode:

"You want to find a place where you're welcomed... and uncomfortable." —Nicole Trick Steinbach

"Bravery can be external, but it's a lot more internal work." —Nicole Trick Steinbach

"Let the fail piece teach you a lesson." —Nicole Trick Steinbach

"The more 'me' I was, the more success I had." —Nicole Trick Steinbach

"I have always asked this question over and over again: 'can we change *better*?' Because we're always constantly changing things, and it is always painful." —Nicole Trick Steinbach

"Bravery is doing what is right *for you*—disappointing everybody but yourself." —Nicole Trick Steinbach

"Be clear about where you are going." —Nicole Trick Steinbach

"Make it easier for people to help you." —Nicole Trick Steinbach

"Learn like a kindergartner. Massive change actually happens with tiny little steps." —Nicole Trick Steinbach

"Own it like a boss—resiliency, consistency, relationships, and habits." —Nicole Trick Steinbach

"Sometimes, 'the act' you need to do from your learning is to slow down." —Nicole Trick Steinbach

3 Pearls of Wisdom:

1. "Know your values."
2. "Experience the joy of failure."
3. "Do less, have less."
