- Difference of sales in corporate and the way Christine teach sales today
- Why do entrepreneurs have a hard time with sales
- What does sales is love means
- How can people sell with more ease, grace, and conviction while being authentic

Quotes from this Episode:

"People buy from successful people." — Christine Schlonski

"It's good to have an understanding because you do need a system it needs to be balance; it's female energy and male energy." — Christine Schlonski

"I totally let go of the perception I have about the successful sales person. How do I have to show up and decided that I'm just going to show up how I feel." — Christine Schlonski

"When you actually sell, you share your love." — Christine Schlonski

"When we approach sales in our businesses, we also think what's in it for me." — Christine Schlonski

"Money follows success. If you help other people to be successful, to have a transformation, they automatically help you use your stuff." — Christine Schlonski

3 Pearls of Wisdom:

"If they understand that sales is love that would be awesome."

"There's no get rich quick fix things."

"Stop just dreaming, act now."

"Hurt people, hurt people and happy people make people happy."
