Olympia Hostler - Queen of Wealth

In this Episode:

- How 2020 has allowed Olympia to serve her community by owning her genius.
- The “five senses tool” and how it helped Olympia be in her best ground footing despite what happened in 2020.
- Leading with collaborative lead generation—bringing together powerhouse women
- What is the most important thing to Olympia that 2020 made her realize?
- Olympia’s advice for having more freedom and money & the power of ‘playing.’
- ‘Doing or Being’ vs. ‘Doing AND Being.’
- How Olympia built five successful business and the business principles she attribute to each

Olympia radically 2Xs income, fun and freedom for 6 & 7 Figure business owners who are overworked and want more. Olympia loves working and playing in the realms of millions and billions. She is an award-winning business consultant and speaker, a Fortune 500 companies’ partner and a leader of the highest national security programs.

By the age of 33, she was a corporate executive leading multi-billion-dollar programs - making more than $50 Million in sales, facilitating sales of more than $10 Billion and leading teams of up to 100 people.

The Queen of Wealth, Olympia liberates business owners’ freedom to scale their companies and fast forward their success without working harder or longer on their fastest path to freedom of time & money!

Quotes from this Episode:

“I believe in the power of play.” — Olympia Hostler

“The more you play, the more fun you’re going to have, the more you’re going to be yourself—great things are going to happen! You’ll be in a world of infinite possibilities, you’ll have great health & relationships, everything is going to be great.” — Olympia Hostler

“Do the right thing and stay focused.” — Olympia Hostler

Pearls of Wisdom:

> “The only thing constant is change.”
>
> “You’re not alone, unless you choose to be.”
>
> “A formula for success: Have a target market that is eager to pay, has the ability to pay, and has a painful problem that you can help solve. Then, send them the right messaging so they hear it, then you do lead generation and it’s like catching fish in a barrel… and sales will come in like a slipping slide.”
