Macy Matarazzo is a Dating & Relationship Expert for Singles- helping the highly driven, superstar single woman overcome the fears and frustrations with the modern dating world that hold her back, so she can finally have the love she desires.

Losing 25 years to failed relationships & dateless holiday parties, Macy discovered a smart formula that broke the painful cycle and led her to find true love. Now she's put it all together in The SuperLOVED System.

Macy also can be seen as the host of Love Vibe TV, and upcoming podcast, The Sophisticated Unicorn - Conscious tools for love. Macy's articles & strategies on navigating the modern dating world have been featured on MeetMindful.com, The Westword, and ArtTour International. A key note speaker, Macy has brought her amusing yet pragmatic relationship expertise to Ignite Denver, FOX, NBC, Women in Tech, the IMPROV, along with sharing the worldwide stage with top love leaders, including John Gray, Arielle Ford, and the acclaimed "SARK".

Quotes from this episode:

“My desire on this planet is to have a playmate, to have someone to create and grow with.” – Macy Matarazzo

“For me, what the unicorn means is, it's not just a pitch, it's really about being able to create possibilities beyond what you think is impossible.” – Macy Matarazzo

“Whatever the stories are, it doesn't matter. If the desire is there, the possibility is there.” – Macy Matarazzo

“So many women are coming to me and convincing me of all the many reasons why they can’t have their loving relationships and I will say, absolutely not. You just need a strategy. You just need skills. A good relationship requires good relationship skills.” – Macy Matarazzo

“You can sit here wanting and wishing and waiting all you want. But, if you have the desire for something, say yes. Say yes, I’m having that. Because the difference between wanting it and having it is universes different.” – Macy Matarazzo

“Everything is relationship. Relationship with money, our business and businesses is a relationship especially when we’re entrepreneurs and when we’re birthing our special business that is our personal brand and that is a relationship.” – Macy Matarazzo

“Recognizing that it’s you plus your person and then that creates another entity which is the relationship.” – Macy Matarazzo

“How you love your life is your lovelife.” – Macy Matarazzo

3 Pearls of Wisdom:

1. “Just be you.”
2. “Play into love.”
3. “You are enough.”
