

Keri Norley - The Wealth Alchemist - Episode 245

Show Notes

In this episode:

- Keri shares how she broke through her limiting money stories as someone who comes from generational wealth
- Tips for you to keep the wealth you manifest
- How you can create wealth that is aligned with your soul
- The differences between a wealth mindset and an abundance mindset
- The ways wealth can help you *hold on* to your manifestations and give you space to make choices
- Keri teaches us the basics about crypto and decentralized finance (DeFi) and how they can create regenerative wealth for the majority while transforming how we do business

Notable quotes:

“How we show up for money now and how we teach our children can break generational issues with money going forward.” – Keri Norley

“Money will always come through what you want to create. We have to give it a reason to show up.” – Keri Norley

“You can say, 'I want this,' but it's not until you decide that nothing else is possible that it will 100% happen.” – Keri Norley

“Ask yourself: 'What's aligned for me? How can I create it in a way that's aligned?' Then you can start to come from a space where you become more and more magnetic because you're doing the thing that your soul is here to do.” – Keri Norley

“Often, when we get wealth quickly or when businesses grow fast, if we don't know how we're going to hold that money or where it's going to go or how it's going to feel, then we will release it and it'll go through.” – Keri Norley

“Some of the power issues we see now could be shifted as we start to decentralize power and give it to the people through decentralized finance.” – Keri Norley

3 Pearls of Wisdom:

1. Dream bigger!
2. Educate yourself on crypto and decentralized finance. Things are going to get messy and you can be on the winning side, or not.
3. Follow your heart.
