

Natalie Mills, Queen of Bling, from Humble Beginnings in S. Africa to Dressing the Stars - Episode 268

Show Notes

In this Episode:

- Her rags to riches story of how she started and built a Luxury for Less Fashion Brand
- Wisdom on building brand working with influencers
- How spirit wisdom guided her to take a blind leap of faith to move to the US from S. Africa
- How she scaled her company when she moved into a market the size of the US, compared to the S. African market
- The importance of peace in our life

Notable Quotes:

"At twelve years old, I was supplying my whole school with stationery." -Natalie Mills

"We should never lose our wonder, that child within us." -Natalie Mills

"If you don't have that desire within you, no idea will transform into anything. -Natalie Mills

"You need to understand your market super quickly to succeed, and you have to be able to adjust." -Natalie Mills

"When people join a brand, they join a story; people really want to know who is that person, why do they do what they do." -Natalie Mills

"Who are we if we don't have hope? Who are we if we don't have trust in ourselves if we don't have that faith?" -Natalie Mills

3 Pearls of Wisdom:

1. Peace is so important in your life.
2. Do things for yourself.
3. Your body is your temple. Your mind needs to be looked after there is no price on health.
