

Kami Guildner: Women Entrepreneurship Trends and Insights for 2023, Episode 281

In this Episode:

- Kami shares the reasons why more women are leaving their corporate life behind than men according to the recent McKinsey research
- Kami's experiences and the lessons she learned while working in the corporate world
- The most tremendous journey of growth, evolution, and expansion that she has ever gone on in her life
- How savvy, successful entrepreneurs will continue to streamline and simplify their businesses in smart ways
- The questions you might ask yourself as you look into your business in 2023
- The importance of building deeper relationships and having a community where you can create connections
- Why you can't outsource your leadership of thought
- The importance of creating our own resiliency and the resiliency of business for the future

Notable Quotes:

"Women are leading in their spaces and their industries, strong in voice, grounded in their presence, wise in their business decisions."

"We always have space to refine in our businesses, no matter the stage of your business."

"Select communities where you feel alignment and connection."

“Build your own communities, get to know people at a deeper level, and build strategic partnerships.”

“You can’t outsource your leadership of thought. Only you can bring your wisdom to life. It is only you that has your unique set of experiences that makes your wisdom yours.”

“Women’s wisdom is the medicine our earth needs.”
