Dr. Kelly Schuh, Empowering Women to Unlock Their Full Potential For Abundance- Episode 294

In this Episode:

- Dr. Kelly talks about why female entrepreneurs struggle with both money and self-worth
- How she helps women align with their gifts and turn them into gold
- Why Meditation and Human Design are important cornerstones of her practice
- The concept of building a House of Abundance and how she helps her clients achieve it
- The root of the great awakening that is happening globally

Notable Quotes:

“Who do you need to be to acquire the business and the life of your dreams because the money alone will never make you happy.”

“The gifts are already there, we just need to uncover them and remind them of how powerful they are.”

“We're not going through perfection, we're going for progress.”

Pearls of Wisdom:

1. Own your worth.
2. Follow your joy.
3. What do you really want?

Resources:
