

# Viveka von Rosen, Beyond the Dreamboard into Transformative Adventures and Lifestyle Legacy- Episode 324

## In this Episode:

- Step into Viveka's shoes and journey from LinkedIn expert to purpose-driven trailblazer in a transformative adventure of aligning with true purpose
- Embark on a personalized adventure of self-discovery and fulfillment as you dive into the realm beyond traditional vision boards
- Unlock the transformative power of alchemy to reshape your life and business, guiding you toward a true calling and renewed purpose beyond the burdens of past successes and failures
- Delve into the significance of introspection, envisioning your future self, and summoning the courage to release what no longer serves you—whether it's beliefs, awards, accolades, or even job roles
- Step into a journey to explore the holistic approach of "Lifestyle Legacy," guiding you toward balanced living, steering clear of overwork culture, and empowering you to make a meaningful impact

## Notable Quotes:

“I need to go and move into what I was meant to do so I can use my gifts and fulfill my calling.”

“It's from a place of gratitude that we really get the juice we need to move forward.”

“Burn away what doesn't serve you.”

## Pearls of Wisdom:

1. Delegation is important.
2. Community is everything.
3. Don't be afraid to let go of something that no longer serves you.

## Resources:
