

Kami Guildner, Women Entrepreneurial Trends and Insights for 2024 - Episode 327

In this Episode:

- Kami explores the growing trend of individuals, particularly women, transitioning from corporate roles to entrepreneurship.
- She advocates for the evolving mindset of women entrepreneurs, encouraging a departure from the hustle culture, embracing a new paradigm, and drawing inspiration from ancient wisdom and community circles for impactful and sustainable business growth.
- The power of simplification in creating more time and wealth prosperity in both business and life.
- The significance of delivering thoughtful, connected content for genuine engagement and encourages a discerning approach to social media strategies for the well-being of individuals and communities.
- The transformative potential of AI tools like ChatGPT, showcasing their ability to streamline and simplify marketing operations for increased efficiency.

Notable Quotes:

“Women wanted more time and more dollars.”

“Women are no longer willing to follow the outdated ways of building businesses and marketing based on the hustle cult.”

“We, women, are reimagining our lives, reimagining how we want to make an impact and reimagining how we want to do business.”

“The foundation of creating more time and wealth prosperity is to simplify.”
