Transform Lives, One Smile at a Time with Dr. Lee Weisbard - Episode 382

In this Episode:

- Dr. Lee Weisbard shares how she grew a seven-figure dental practice by prioritizing whole-body wellness, relationships, and values-driven care.
- How your dental health impacts everything from heart health to inflammation and longevity—and why Dr. Lee takes a whole-body approach to care.
- How transforming one woman's smile created a ripple effect of empowerment and confidence in her life.
- How unique consultation approach that helps patients feel heard, comfortable, and confident in their dental journey.
- Why strong business planning, community involvement, and continuous learning are key to building a fulfilling, long-lasting practice.
- Dr. Lee's vision for mentoring the next generation of dentists while building a practice that gives her both impact and time freedom.

Notable Quotes:

"When you look in somebody's mouth or you review their health history, you can learn a lot about people."

"I love to take care of people and just give them that confidence and the aesthetics that changes their lives."

"You have to always be learning and growing if you want to be able to serve people to your best ability."

Pearl of Wisdom:

1. Follow your passion.
2. Have a plan.
3. Have a work-life balance.

Resources:

Dr. Lee Weisbard has spent over 30 years transforming lives through dentistry, blending advanced care with a focus on whole-body wellness. Passionate about the connection between oral and systemic health, she helps patients achieve lasting well-being. Dr. Weisbard's journey began at 12, leading her to break barriers in a male-dominated field and earn her D.D.S. She was named Colorado Businesswoman of the Year in 2018 and is known for crafting Denver's most radiant smiles. Outside her practice, she enjoys cooking, skiing, and time with her husband, David, their six children, and three grandchildren.
