Unlock the Wealth Code: Reprogram Your Money Story and Step into Your Genius with Jenn Beninger - Episode 401

In this Episode:

- Jenn Beninger shares how rewriting your unconscious money stories can transform not just your income, but the way you lead, love, and thrive as a purpose-driven entrepreneur.
- Why the smartest business strategies won't stick until you uncover and rewire the subconscious beliefs and childhood money stories silently shaping your choices—and how true abundance begins with reclaiming your suppressed genius.
- How to break repeating patterns—in love, money, and business—by going beyond mindset tips into deep unconscious healing that changes what (and who) you attract.
- Jenn's real story of starting with just $7,000 and building a thriving multi-seven-figure business—revealing why every new income level demands shedding old identities, rewriting invisible money stories, and leaning on coaching and community to see what you can't see alone.
- A preview of her Ignite talk, The Wealth Code—where she'll guide you to reprogram limiting beliefs and unlock wealth in every area: money, health, relationships, and self-expression—so you can finally step into your true genius and let your light shine.

Notable Quotes:

"Wherever you are is where you're supposed to be. Then you grow into the person that gets to the next level."

"Heal the most vulnerable judgment you have about yourself so you can step out and be great."

At Ignite, Jenn will be teaching her Wealth Code—a beautiful, soul-led framework for shifting the unconscious patterns that block prosperity, and anchoring into the version of you who already knows how to lead, receive, and grow with joy. Her work is such a powerful match for this year's theme: Rooted Flame. Because when we strip away what isn't ours and root into who we really are… that's when we light up. That's when we rise.
